

Washington Computer Science & Engineering Council

Mission & Charter

Last update: 11/1/2019

Name

Washington Computer Science and Engineering (WACSE) Council

Mission

WACSE Council is a volunteer organization with the Mission to improve Computer Science/Engineering, and related fields transferability of Junior-Ready students from 2-year to 4-year institutions.

“Partner with WCERTE for Computer and Electrical Engineering”

Membership

All Computer Science and Engineering faculty, advisers and administrators at 2 and 4-year institutions plus industry and K-12 partners are welcome to join

Approval

Approval is determined by a majority vote of participating institutions (one vote per institution).

“Quorum is reached with the participation of 20 or more Washington higher education institutions”

Communication

- WACSE Google Group
- One online meeting in November (Fall)
- One in-person meeting in May (Spring)
- Other modes of communication as required
