

## **Clark College BS CS Student Selection Process**

*Last update: 1/28/25*

### **Phase 1 –Application Submission**

- 1) Student Transcript (50 pts)  
Grade Point Average (GPA) of required MATH and CSE courses will be used for scoring.
  
- 2) Personal Essay (50 pts)  
The personal essay allows students to share their reasons and experiences for pursuing a Computer Science degree at Clark College.

Evaluation:

- \* Quality and correctness/clarity of writing
- \* Projects and/or activities demonstrating interest
- \* Authenticity of content

### **Phase 2 - On-Campus Visit**

- 1) Informational meeting with Program Faculty and Advisors
  
- 2) Programming Proficiency (100 pts)  
Students will be asked to write a computer program in response to a problem statement without access to online resources.

Evaluation:

- \* Correctness and completeness of Algorithm
- \* Structure and logic
- \* Syntax will not be evaluated so long as it is consistent
